

THE COMPASS

Greetings from the CHS staff. We hope you are having a restful and enjoyable summer break! As the end of summer draws near and your thoughts turn again to a new school year, take note of the following important dates and information.

Important News and Announcements

The August and September edition was also sent via mail. For the rest of the year, The Compass will be sent digitally to keep you informed about Covenant High School.

New Student/Parent Orientation & Potluck

All new students and their parents are invited to a potluck on Tuesday evening, September 5, 6:00 p.m. at CHS in the fellowship hall. This is a wonderful opportunity to get acquainted with CHS parents and students. Please plan to attend and become familiar with Covenant High School's culture. It will help students begin building community.

Please bring a salad or hot-dish large enough to feed ten people. Please RSVP and let us know what you are bringing, by emailing Cindy Dille at cdille@chstacoma.org. CHS will provide dessert, beverages and eating utensils.

First Day of School - Wednesday, September 6

School hours are 7:30 a.m. - 2:10 p.m. Students should come the first day with a pen, a notebook and a 3-ring binder. Individual teachers will let students know what additional materials, if any, will be needed. The second half of the day we will travel to a park for lunch and activities. Students should bring a sack lunch to eat at the park. Students are to dress according to the school dress code for the day.

Email and Contact Information

Nearly all CHS communication is conducted via the internet. Please email office@chstacoma.org to update us if your email address changes. If you do not have email access, please notify the office at 253-759-9570.

Lunch Information

All students must provide their own sack lunch – microwaves are available for student use. Also, a small student store is open during lunch every day, starting the second week of school.

Renweb

We use RenWeb, an online school management program, so you will be able to stay updated on your student's academic progress. We will notify you when the system is open for the 2017-2018 school year.
