## **Vocation Shadowing Day**

Friday, March 16, is Vocation Shadowing Day. There will not be school on that day; instead students will arrange to observe someone who works in a field of interest to them. Students will spend four to six hours getting an inside look at a vocation. We encourage students not to shadow their parents at their workplace but take the opportunity to take a first-hand look at the career of someone outside their immediate family. Students should arrange the observation with plenty of lead time. Materials and more information will be distributed to students in February.

## **Share the CHS Experience**

Our world is in need young men and women who can thoughtfully and articulately represent Christ in the marketplace, in their neighborhoods, and most importantly, around the dinner table.

At Covenant High School we equip students to think deeply and to serve wholeheartedly from a biblical perspective, training them to live faithfully not only today but as a way of living.

As your student and your family enjoy the quality education at Covenant High School, we encourage you to invite others to do the same. Please contact [our office](#) to schedule a visit and private tour for your family friends.

## **Weather-Related School Closures**

If inclement weather conditions or other emergencies (earthquake, etc.) warrant a possible delay or closure of school, call the school office, 253-759-9570, after 6:15 a.m. Closures and delays will be announced on the voicemail message and on [chstacoma.org](http://chstacoma.org). If no weather-related information is given, you may assume school will begin at the regular time.

## **Office Hours**

CHS Office hours are 7:10 a.m. – 3:00 p.m. The office closes at 2:30 p.m. on Fridays. The church building closes at 4:30 p.m., and all students must depart by that time.

*Covenant High School strives to deepen our students' relationship with Jesus Christ and prepare them for fruitful and joyful service to God and man.*
